Dear Grace Family, Grace Lutheran School is excited to announce that we are recipients of the Economic Resiliency Grant from the Greater North Dakota Chamber of Commerce. The purpose of the grant is to provide North Dakota businesses funding to make safety upgrades that stop the spread of COVID and restore confidence. This summer, air sanitization units were installed on the air conditioners and the air handler in the gym. With this grant, we will be adding air purifiers in every classroom and touchless water bottle fillers in common areas. This grant is an enormous blessing to Grace. We thank God for always providing in His perfect timing.

Reminders for Parents

Thank you for adjusting so quickly to morning drop off and afternoon pick up outside the building. We are hopeful that limiting extra people in the building will keep the virus out. Please take note of these other reminders that are designed to keep us in school:

- Water bottles and masks should go home daily for cleaning.
- Visitors to our school **MUST** wear a mask inside the building.
- All people entering the building must check in at the office. This is for the safety of our students and staff.
- Parents and families must remain in their vehicles if parked on the east side of the street at drop off and pick up.
- Menus and newsletters can be found on the website.

Breakfast Upgrade!

With the return of Miss Shirley, the breakfast menu has received an upgrade! HOT breakfast is available every morning.

Every breakfast also includes cereal, milk, juice, and a fruit. Check out the menu on our website!

Chapel Services

Chapel services on Wednesdays are only open to students and staff. Friends and Family of GLS can join us on Facebook live at 8:40 am.

The preacher on Wednesday, September 9 is Pastor Brian Shane from Beautiful Savior Lutheran Church.

Required Student Paperwork

Emails went out this week to gather up any remaining paperwork. If you have not turned in paperwork as requested, please do so as soon as possible.

After Care Pick Up Procedure

*Note corrected phone number

Check if the children are on the playground. Children can be picked up directly from the playground.

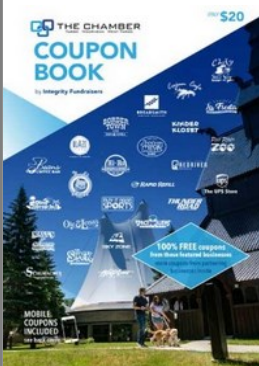

If children are inside the school:

- Park on the street or in the Olivet parking lot. Do not park in the driveway on the north side of the building.
- When you arrive, call or text **701-238-4975** to let After Care staff know you are here.
- Go to the NORTH door of the school. Stay in the vestibule where the sign out table is located.**
- Your child(ren) will be delivered to you.

If you prefer your child(ren) to be sent out to the car, send a text to **701-238-4975 to let the After Care Staff know your child(ren) arrived safely to the car.

Our After Care/Camp Grace phone has reached the end of its life. If you have an Android phone in good shape with a working battery, please consider donating it to the school. Email secretary@gracels.com if you are able to help.

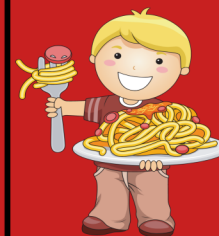

Chamber Coupon Books will be distributed to students next week for our only kid-driven fundraiser this year. Proceeds benefit our teachers and help with student event costs.

Tidbits for the newsletter are due the Wednesday prior to Friday publication.

Save The Date!

GLS has some pasta-tively great news! Pasta with a Purpose is scheduled for Saturday, April 24. Put it on your calendar today!
