Masks Needed

Many children are forgetting masks daily. Please make sure your child has some spares in their backpack or locker.

We could use donations of kid-sized disposable or cloth masks.

Feast Day!

On Thursday, the entire school gathered together for the annual Thanksgiving Feast Day! We set up lots of tables and had a wonderful meal together, specially prepared by our wonderful cook, Miss Shirley. We are so thankful for Shirley! She cooks great food and loves all of the children. We are so blessed to have her.

Each class took part in making this a special day, including setting up tables and chairs, making napkin rings, putting paper on tables, setting the tables, wearing special masks and hats, singing the prayers, and serving the food.

Top left: 7th and 8th grade

Top right: 3rd grade

Bottom: Kindergarten sang a wonderful song!

Lunch Helpers Needed

We have decided that having an indoor lunch helper is more beneficial than a playground helper, so we have modified the sign up to reflect that need. If you signed up in December, please go in and sign up again if you are able. This is a great opportunity for scholarship hours.

Chapel Services

At this time, chapel services on Wednesdays are only open to students and staff. Friends and Family of GLS can join us on Facebook live at approximately 8:40 am. Services can be viewed anytime from our Facebook page.

The preacher on Wednesday, December 2nd is Pastor Steve Schultz from Immanuel Lutheran Church.
