## A Celebration of Grace: Drum Roll, Please!!

We are so excited to share our fundraising total for a Celebration of Grace, which took place Nov 15-20! Thanks to an enormous outpouring from our families, our churches, our supporters, and our community, we raised **\$38,761.05!** God is so good. Grace Lutheran School is a special place supported by special people that help *us* support *our* special people. We are so thankful for all of you. May God bless you for your kindness.

## Christmas Program

This year's Christmas program will be pre-recorded and posted on the school's YouTube channel. The link to the program will be emailed to families next week.

 Winter gear will need to go home for the Christmas break next Friday. Teachers will do their best to make sure all items are sent home, but please check with your child next Friday after school to be sure. Thank you!

Please make sure your child has a mask at school. Children without masks will be asked to call home and have a parent bring them a mask. Mask donations (cloth or disposable) are always welcome.

## CHRISTMAS STORE

PTL is hosting The Christmas Store on Monday, December 14th. Please make sure money envelopes have been sent to school by Monday.

## Classroom Giving Trees

During a traditional year, each classroom would have a giving tree to fulfill classroom wishes in lieu of teacher gifts. This is not a traditional year, so we're doing something untraditional in order to still fulfill our teacher's wishes—in January. Stay tuned for details on how you can help improve your child's classroom during National Lutheran Schools Week, January 25-29.
