Classroom Giving Trees

During a traditional year, each classroom would have a giving tree to fulfill classroom wishes in lieu of teacher gifts. This is not a traditional year, so we're doing something untraditional in order to still fulfill our teacher's wishes—in January. Stay tuned for details on how you can help improve your child's classroom during National Lutheran Schools Week, January 25-29.

Thank you, Volunteers!

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. 1
