Dear Parents,

Imagine, if you will, a classroom of 20 small children getting ready to go outside. Four of them can't find their snow pants, two lost a boot, and there are 18 identical black mittens lying about. After a lengthy search and rescue

mission, the children are finally dressed and ready to go. They step outside, take a whiff of fresh air, and a short while later recess is promptly over. Following the undressing, six hats remain "not mine."

Now imagine, if you will, picking up three pairs of black snow pants, checking the tag for a name, and joyously distributing them to their owners in a matter of seconds.

You can make this scene a reality by **labelling your child's winter gear** after washing it over the long weekend. :)

Thank you, parents!!

Giving Tree & Christmas Store

Christmastime is the season of giving! In the school entry, there is a tree decorated with removable ornaments. The ornaments are our teacher's 'wishes' for their classrooms. Take one, take several, and grant these wishes in lieu of teacher gifts.

Gifts should be returned by December 15th to be opened and enjoyed in the classroom before break.

The PTL Christmas Store will be held at the school on Monday, December 13th. An informational letter and budget envelope will be sent home with each student next week. Your child will be able to shop at the Christmas Store for the special people in their lives using a budget that you set for them. Parent volunteers are needed to run the store. Pick up a shift [HERE](#).

Mark your calendar to see the **Ambassador Choir perform at West Acres on Tuesday, Nov 30, at 1 pm.**

Claire and Audrey learn to change a tire at the Life Skills class that took place on November 21. Stay tuned for information on the next Life Skills class.
